

## ADA Website Accessibility Integration Agreement

To support Website Accessibility and compliance with the Americans with Disabilities Act (ADA), Warrior Webmasters offers integration services for third-party ADA tools. These tools help improve usability for individuals with disabilities and enhance overall user experience.

Available ADA Tools (Client-Selected & Purchased Separately)

Please select your A.D.A. tool now:

Clients may choose from the following popular ADA accessibility solutions:

- I wish for a Free Tool to be installed from EqualWeb or other listed. (I understand that this will not be fully compliant with the current laws and regulations. I assume this risk.)
- I have my own tool listed here that I will give you access to install. Name of company:  

---
- I am purchasing UserWay. <https://userway.org/> (Starts \$49/month)
- I am purchasing AccessiBe. <https://accessibe.com> (Starts \$49/month)
- I am purchasing EqualWeb. <https://www.equalweb.com/> (Starts \$39/month)
- I am purchasing AudioEye. <https://www.audioeye.com/> (Starts \$199/month)
- I am purchasing from another company not listed. I will be giving you access to install this tool. Name of company:  

---
- I do not want any tool installed free or paid. I assume my own risk.

- Pricing is approximate and subject to change. Clients are responsible for purchasing the tool directly from the provider.
- If you do not wish a tool to be installed, no fee is charged for this service.
- If you wish a tool to be installed (free or paid), the labor charge to you is \$25.00.

## **Warrior Webmasters will:**

- Install and configure the selected ADA tool on your website.
- Ensure proper placement and visibility of the accessibility widget
- Test basic functionality post-installation
- Provide guidance on how to use the tool's dashboard (if applicable)

## **Client Responsibilities**

- Select and purchase the ADA tool of your choice
- Provide login credentials or access for integration
- Maintain subscription or license with the tool provider
- Understand that tool performance and legal compliance are managed by the provider you chose and not [WarriorWebmasters.com](http://WarriorWebmasters.com) Inc.

## **Privacy Policy**

We are not liable for any content added to the website by You, or anyone on your behalf, including but not limited to any text, image, video, embeds, cookies, pixels, widgets, or plug-ins ("Owner Content") added to the Website. While We may add Owner Content at your request to the Website, You will hold Us harmless and indemnify Us against any claim arising out of any such Supplement.

## **Disclaimer**

[WarriorWebmasters.com](http://WarriorWebmasters.com) Inc will install and configure the ADA accessibility tool selected and purchased by the Client. This integration includes basic setup and visual placement of the tool on the Client's website. The Client acknowledges that all ADA tools are third- party products not developed, owned, or maintained by [WarriorWebmasters.com](http://WarriorWebmasters.com) Inc. Accordingly, [WarriorWebmasters.com](http://WarriorWebmasters.com) Inc makes no warranties or guarantees regarding the tool's compliance with ADA, WCAG, Section 508, or any other accessibility standards. The performance, accuracy, and legal compliance of the tool are solely the responsibility of the tool provider. Any claims, disputes, or liabilities arising from the functionality or effectiveness of the tool must be addressed directly with the provider. By proceeding with integration, the Client assumes full responsibility for the selection, purchase, and ongoing licensing of the chosen accessibility solution.
